Sabera Foundation and Research Institute is a non-profit organization which envisions transforming the society by education. This organisation was founded by Mr Md Habibur Rahaman, a social worker, who believes in the power of education. Mr Rahaman has the faith that a community can progress rapidly through education as it brings a lot of change in the perspective of a human being and also changes his/her thinking capacity.

It was established by a group of likeminded social workers who have been working in the fields of basic education, health, art & culture, environmental protection, rural development, women empowerment and human rights. The organization began with very limited resources as well as manpower and it works towards the empowerment of the economically weaker & socially marginalized sections of the society through capacity building of the people.

Sabera Foundation works in Delhi, Uttar Pradesh and West Bengal. Over the years Sabera Foundation has made efforts to empower the communities it works in, in a number of ways. Sabera Foundation also runs a college by the name of **Raafiah College of Education and Rural Development** in district Budaun in Uttar Pradesh. It was founded by eminent educationists with an aim to offer quality education to deserving students from various backgrounds. Raafiah College of Education offers two courses-B.Ed and D.El.Ed. since 10 years.

Programs of Sabera Foundation & Research Institute:

Skill Development Training Programme

The objective of this Skill Development Training Programme is to enable a large number of Indian youth to take up industry-relevant skill training that will help them in securing a better livelihood. In these programmes, the trainees are provided free training. On successful completion of training, the trainees are also provided placement assistance.

Horticulture Awareness Programme

SFRI organized a day long awareness programme on horticulture production and its importance. The plantation of horticulture crops in a more scientific manner will provide a good source of income to the farmers.

Health Cube Training

Three month training was provided to 50 students for diagnostic pathologic lab technician for the use of the Health Cube. Health Cube is a portable diagnostic machine that can perform 30 + diagnostic tests in less than 10

minutes. The training was provided to benefit the minority population at Raafiah College of Education, Sahaswan Bisauli Road, Sahaswan, Budaun, Uttar Pradesh.

Art & Culture Activities

Education in Art is essential to let the new generation appreciate the beauty of the essence of the various forms of Culture. Various art and cultural activities were organized during the year to create interest in art and culture.

Swachh Bharat Abhiyan Programme

On 2nd October 2014, Swachh Bharat Mission was launched throughout length and breadth of the country as a national movement. The campaign aims to achieve the vision of a 'Clean India' by 2nd October 2019.

SFRI undertook the Swachh Bharat Abhiyan Programme by engaging students in a cleanliness campaign.

Yoga Day Celebration Programme

The International Yoga Day 2022 was celebrated under the theme 'Yoga for Humanity'. This theme has been chosen to reflect the great role played by Yoga during the pandemic (COVID-19). During the COVID-19, Yoga helped people not only in maintaining their sanity but also alleviated their suffering.

Handicraft Awareness Programme

Handicrafts constitute an important segment of the de-centralized/unorganized sector of our economy. It is mainly a rural based sector which has its reach in backward and inaccessible areas. A handicraft awareness programme was organized by SFRI. The objective of the programme was to promote the production of handicrafts for development of livelihood for people.

Environmental Awareness Programme

Environmental awareness campaigns refer to organizing and educating the general public about the importance of understanding our environment's vulnerability and protecting it. An environment awareness program was organized to educate students about the importance of planting trees and saving the environment.

Road Safety Awareness Programme

To improve safety and reduce road crash casualties, SFRI organized road safety activities aimed at upping grassroot level citizen involvement in road safety measures.

Khadi Vocational Training Programme (KVIC)

Training was provided in various vocational courses like Calligraphy, Agarbatti Training, Professional Makeup, Masala Making, Basic Bakery, Basic Perfume Making and Detergent / Phenyl Making.

Consumer Awareness Programme

Consumer awareness is an act of making sure the buyer or consumers are aware of the information about products, goods, services, and consumer's rights. Consumer awareness is

important so that buyer can take the right decision and make the

right choice. A consumer awareness programme was organized create awareness about the rights of individuals as consumers.

Atmanirbhar Bharat Awareness Programme

Atmanirbhar Bharat^[a], which translates to 'self-reliant India',^[8] is a phrase used to describe the creation of livelihood opportunities in India. Livelihood training programme was organized under the Atmanirbhar Bharat Awareness Programme.

Martial Art Programme

Martial arts are codified systems and traditions of combat practiced for a number of reasons such as self-defence; military and law enforcement applications; competition; physical, mental, and spiritual development; entertainment; and the preservation of a nation's intangible cultural heritage. Martial Arts was taught at SFRI to promote the holistic development of students.

Healthcare awareness camp

A health awareness camp was held and people were provided with information on the Health Cube, a portable diagnostic machine that can perform 30+ tests in less than 10 minutes. The program also focused on creating awareness about the diseases and eradication of social stigma about the illness

Disability Awareness Programme

Disability Awareness Programme was held for educating people regarding disabilities and creating sensitivity towards differently abled people.

Rural Development Programme

A rural development program was organized for improving the quality of life of the rural population. Its

objectives were to improve the infrastructure of the rural areas, to reduce unemployment by providing opportunities for employment and to provide clean water, education facilities, electricity and proper communication.

Earth Day / Tree Plantation Programme

Earth Day is celebrated around the world and continues to be an important day that brings much-needed attention to issues concerning the environment. With concerns such as global warming, Earth Day is as relevant as ever. It is important that people recognize and celebrate this day to help spread awareness and ensure that political leaders take the necessary actions to enact laws that help reduce the dangers to the environment. By celebrating Earth Day, people can also create changes in their everyday lives and in their communities that will have a positive impact on the world around them.

Free Mask and Hand Wash Distribution Camp

We distributed free face mask and hand wash for poor people and school going children in our rural area. We gave them awareness about social distancing and usage of hand wash practice.

Free Medicines Distribution Camp

SFRI organized a free health camp and distributed free medicines to the community members.

Eye Check Up Programme

An Eye Camp was organised to check the eyesight of the people belonging to the Economically Weaker Sections (EWS)

Legal Awareness Programme

The Legal Literacy and Legal Awareness Programme was organized to empower the poor and disadvantaged sections of society to seek and demand justice services.

Urdu Awareness Programme

A program was held to promote, develop and propagate Urdu language

Book Fair Programme

A book fair was organized to build students' home libraries, further their reading and comprehension skills, and often build knowledge and vocabulary critical for understanding new subject matter. This practice enables families to make reading a family event.

Beti Bachao Beti Pado Programme

Beti Bachao Beti Pado Programme was organized for prevention of gender biased sex selective elimination, ensuring survival & protection of the girl child and ensuring education and participation of the girl child..
